

Thank you very much for agreeing to complete this survey which is being conducted by Accent, an independent research agency in the UK on behalf of the University of Oxford and University College London.

Q0 Please read the following terms and conditions and tick the box at the end to confirm that you consent to taking part in this survey.

I confirm that I am aged 18 or over and regularly live at the address on the invitation letter.

I confirm that I have read the information letter and understand how my survey responses will be collected and used for research purposes.

I understand that completing the survey is voluntary and that I can withdraw consent for use of my data at any time by contacting the SERL helpdesk.

Any data collected over the course of this interview that could be used to identify you, such as your name, address, or other contact details, will be held securely and will not be shared with any third party unless you give permission (or unless we are legally required to do so). Our privacy statement is available at <https://www.accent-mr.com/privacy-policy/>.

I agree to take part in this survey.
